# Vehicle Specific Console for Ford E-Series Van

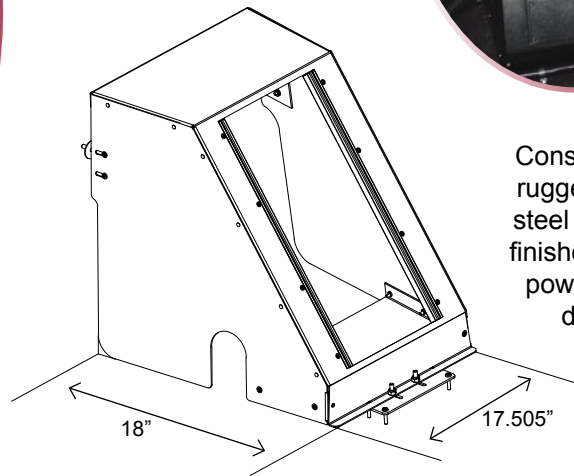

**C-VS-1800-ECO** shown with optional video system (PT-Video-4) for prisoner compartments.

Makes controls easy to see & reach.

Constructed from rugged 14 gauge steel housing and finished with black powder coat for durability.

## **New Consolidator® 18" Vehicle Specific Console for '04-08 Ford Econoline Van Model E-250/E-350 by Havis-Shields**

The Ford Econoline Vehicle Specific Console (C-VS-1800-ECO) is designed to replace the OEM engine cover console for a custom fit and appearance. This customized design also makes control heads easy to see & reach.

- Replaces OEM engine cover console for custom fit and appearance
- Requires no permanent modification
- Removes easily for fast engine service
- Includes up to 4 pairs of C-EB equipment mounting brackets and up to 4 filler plates to enclose the top of the console
- Optional accessories include: mobile data computer mounts, video system for secure prisoner transport, map light, and switch panels
